

SACRIFICE

111

Govinda

No dream, father. It is
awakening.
Mother came to me, in a girl's
disguise,
and told me that blood she
cannot
suffer.

Raghupati

She has been drinking
blood for
ages. Whence comes this
loathing all
of a sudden ?

Govinda

No, she never drank blood,
she kept
her face averted.

Raghupati

I warn you, think and
consider.
You have no power to alter
laws laid
down in scriptures.

Govinda

God's words are above all
laws.
